Heating and Air Conditioning Services in Melbourne

At Think Compliance, we specialise in heating and air conditioning solutions tailored to Melbourne's climate. Whether you need a new installation, servicing, or maintenance, we ensure your home or business stays comfortable all year round.

OUR SERVICES

Split System Air Conditioner Supply & Installation

We supply and install a wide range of split system air conditioners, ensuring you get the ideal unit for your space and budget. We work with all major brands, but highly recommend:

- Mitsubishi Electric – Backed by a 5-year warranty
- Toshiba – Backed by a 7-year warranty

These brands are known for their energy efficiency, reliability, and affordability, making them ideal choices for residential and commercial properties.

Reduce energy bills while staying comfortable | |

Gas Ducted Heating Installation & Replacement

Upgrade your home with an energy-efficient ducted gas heating system, designed to provide consistent warmth throughout your property. Our expert technicians handle installation and replacements, ensuring seamless operation and lower energy costs.

Gas Heater Servicing & Repairs

Regular maintenance is crucial for safety, efficiency, and longevity. Our services include:

- Routine servicing to ensure optimal performance
- Prompt repairs to fix faults before they escalate
- Carbon monoxide testing for peace of mind and safety

Servicing & Maintenance

We provide comprehensive servicing and repairs for all heating and cooling systems, including:

- Split System Air Conditioners – From **\$270 inc GST**
- Ducted & Evaporative Cooling Systems – From **\$320 inc GST**

Each service includes a detailed report outlining the work carried out and the performance of each individual unit.

Breakdowns & Repairs

If your heating or cooling system isn't working as expected, our rapid-response team will diagnose and repair issues efficiently. We specialise in cost-effective solutions to restore comfort to your home or workplace as soon as possible.

Free Quotes on All Services

We offer obligation-free quotes on installations, servicing, and repairs. Our reports are structured to meet real estate and property management requirements, ensuring smooth property maintenance.
